The Meridian Director nominations and elections process is summarized below. For a full description of the process, please refer to the Bylaws.

The Meridian Board of Directors consists of seven Regional Directors and two Directors At Large. Each year, three Directors are elected. For 2024, these consist of:

- Regional Director (Region 3)
- Regional Director (Region 7)
- Director At Large

The Bylaws were amended last year to introduce a new nomination and election process for Meridian Directors. The current process is summarized below.

Nomination Process

- At least 90 days prior to each Meridian Annual Meeting, Meridian Members will be notified of the Director positions to be filled.
- Any person desiring to run for election must be nominated by petition.
 - For a Regional Director position, the petition must be signed by at least five Meridian Members from that Region.
 - For an At Large position, the petition must be signed by at least five Meridian Members from any Region.
- To be eligible to become a nominee:
 - Individuals must be current General Managers or CEOs of a Meridian Member.
 - For Regional Director positions, the Member of which the individual is General Manager or CEO must be located in the applicable Region.
- Signed petitions must be received by Meridian at least 60 days before the Meridian Annual Meeting.
- The Election Committee will review the validity of petitions and the eligibility of candidates.

 - The named candidate must meet the eligibility requirements.
 - The petition must be signed by authorized representatives of at least five Members in the applicable Region for a Regional Director position, or at least five Members of any Region for an At Large position.
 - The petition must be timely submitted.

- Not all signatures have to be on the same petition, but a candidate who submits multiple petitions must submit all petitions in a single envelope or as attachments to a single email.

- Meridian will make reasonable efforts to notify candidates if petitions are incomplete or do not meet the requirements. Meridian's failure to do so shall not provide a basis for any protest or objection to the nomination or election process.

Request for Member List

- Individuals who wish to submit a petition may request a list of Members in the applicable Region (for Regional Director elections) or of the entire cooperative (for At-Large elections).
- These lists shall be used solely for the purpose of soliciting support for the individuals' nomination.
- Lists will only be provided to qualified candidates who have signed a nondisclosure agreement in which the individual agrees that the Member list:
 - will be kept confidential
 - will be used solely for purposes related to submitting a petition
 - will be deleted or destroyed on or before the petition deadline

Announcement of Nominees; Elections

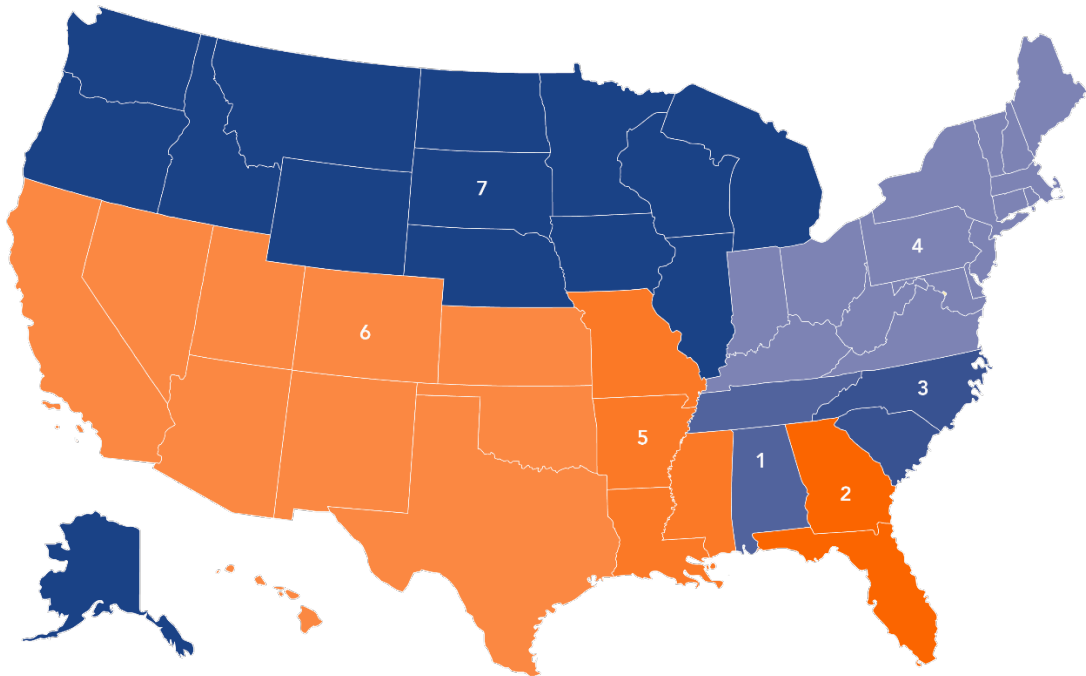

- At least 45 days before the Meridian Annual Meeting, a list of eligible nominees for each open Director position will be made available to the Members.
- If no eligible petitions are received by the deadline, the Election Committee will appoint one or more nominees for each position.
- Members in the Regions for which Regional Director elections are being held will receive notice that electronic voting has begun. For At Large Director elections, all Members will receive notice.
- Election results will be reported at the Annual Meeting.
